Cure. DR. CHANDLER'S PILON.

BY THUS WONDERFUL REMEDY.

THOUSANDS OF CASES EFFECTUALLY CURED

Piles.-Hemorrhoids.-Pilon. ETC., ETC. ETC.

Many causes tend to produce this painful and distressing state. The blood is returned in its return; the too frequent use of drastic purgatives tends to produce concession of the bowels, torpid action of the liver, and angestion of the bowels, torpid action of the liver, and na-merous other causes are the source of this complaint, and hitherto nothing effectual has been presented to the pub-lic, which would repidly alleviate symptoms and ulti-tuately prove an effective cure. In FILON we have a remedy which not only acts almost instantly, but will re-move the largest tumors of the parts (Piles) by absorp-tion, and many who have received not only benefit, but have been radically cured, have been assured (prior to using this treatment) by eminent surgeons that the only relief they ever could expect in life, would be by an operation, and removing it or them from the body by a procesiure which necessitated the kn.fe. This remedy

procedure which necessitated the kn.fe. This remedy has been halled with delight, and is now prescribed by

many practising physicians, who are cognizant merits, as the only known sure cure for PILES.
